The Units and Subscription Receipts may be sold in any combination up to a maximum of CAD\$200,000 in Units with an aggregate maximum of up to CAD\$1,000,000.

The net proceeds of the Offering are expected to be used for general and administrative expenses and for advancing certain concession fees upon signing the concession agreements for the Bielsko-Biala and Cieszyn concessions located in southwest Poland.

Completion of the Offering is subject to receipt of all required regulatory and stock exchange approvals, including the approval of the TSX Venture Exchange (“TSX-V”).

The Common Shares, Warrants and Warrant Shares will be subject to a statutory hold period under applicable Canadian securities laws expiring on the date that is four months and a day following the Closing Date.
