

## **HORIZON PETROLEUM ANNOUNCES LISTING ON THE TRADEGATE EXCHANGE IN GERMANY**

**CALGARY, ALBERTA, January 21, 2025 - Horizon Petroleum Ltd. (TSXV: HPL, TRADEGATE: HPM).**

Horizon Petroleum Ltd. ("Horizon" or the "Company") is pleased to announce that has received its listing on the Tradegate Exchange in Germany and has commenced trading. The new listing will enhance the Company's visibility in Europe and provide european investors greater accessibility to Horizon's shares. It presents the Company with an excellent opportunity to further broaden our shareholder base in Europe.

"The listing on the Tradegate Exchange together with the previously disclosed marketing and investor relations contract with Plutus is important for Horizon as we continue to build our asset base in Poland and Europe," commented Dr. David Winter, Chief Executive Officer of Horizon Petroleum "It provides us with an excellent opportunity to further connect with a diverse and growing pool of investors in Europe and provide greater liquidity in the trading in Horizon's shares. This will be critical as we develop our gas development assets in Poland and our longer-term growth as we execute our European gas strategy.

### **About Tradegate Exchange**

Tradegate AG operates as a market specialist on Europe's most liquid retail exchange, the Tradegate Exchange. As a market specialist and liquidity provider, Tradegate manages over 10,000 German and international stocks and exchange-traded products (ETPs). This ensures fast and direct execution of securities orders, making it an ideal platform for investors. Tradegate is the leading liquidity guarantor on the broker side, showcasing steady growth since 2000.

A listing on Tradegate Exchange provides several possible benefits, including:

- **Increased visibility:** Companies can gain access to a broader pool of European investors, enhancing their market presence.
- **Access to capital:** A broader investor base can lead to greater interest in future capital raises, facilitating growth and expansion initiatives.
- **Liquidity:** Tradegate is known for its efficient trading platform, which can improve liquidity for listed stocks, making it easier for investors to buy and sell shares.
- **Diverse investor base:** The exchange attracts both retail and institutional investors, which can help diversify the Company's shareholder base.
- **Direct execution:** The exchange facilitates fast and direct execution of securities orders, benefiting both the company and its investors.
- **Enhanced credibility:** Being listed on a reputable exchange can bolster a company's credibility and attract more serious investors.
- **Regulatory compliance:** Listing on a regulated exchange ensures adherence to high standards of transparency and governance, which can increase investor confidence.
